

**Secure PPE supplies, manage inventory levels, and avoid costly emergency pricing by importing protective products directly from manufacturers through APP to your facilities—  
free of charge.**

## How it Works

- Our team of experts conducts an in-depth review of your high-volume items for quantities to optimize timelines.
- APP places orders directly from our manufacturers on your behalf.
- APP ships your inventory directly to your central receiving.
- No central receiving? APP provides palletizing and warehouse options to meet your storage needs.

## Benefits

- ✓ Secure critical, high-demand PPE products to meet your facility's specific needs.
- ✓ Secure pricing in a fluctuating marketplace.
- ✓ Gain control over your supply chain.
- ✓ Establish a constant, consistent flow of PPE products for your facility.
